Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>Participating providers: \$200; \$500; \$1,000; \$1,500; \$2,000; \$5,000 per person; and 2 x individual deductible per family.</p> <p>Non-participating providers: \$400; \$1,000; \$2,000; \$3,000; \$4,000; \$10,000 per person; and 2 x individual deductible per family.</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. The following participating provider services: routine preventive care, primary care physician office visits, Health Risk Screenings; Walk-In/Acute Care; and prescription drugs are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services.</p>

<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p>Participating providers: 80/20 Plan: \$1,500 per person; 2 x individual out of pocket per family; 70/30 Plan: \$2,000 per person; 2 x individual out of pocket per family; 50/50 Plan: \$3,000 per person; 2 x individual out of pocket per family.</p> <p>Non-participating providers: 80/20 Plan: \$3,000 per person; 2 x individual out of pocket per family; 70/30 Plan: \$4,000 per person; 2 x individual out of pocket per family; 50/50 Plan: \$6,000 per person; 2 x individual out of pocket per family.</p> <p>Under the participating <u>provider</u> benefit, regardless of the <u>coinsurance</u> option chosen, any <u>plan</u> participant with a \$5,000 individual/\$10,000 family <u>deductible</u> will have a maximum <u>out-of-pocket limit</u> of \$6,350 individual/\$12,700 family. After satisfaction of the <u>deductible</u>, the <u>plan</u> participant will pay at the selected <u>coinsurance</u> level until the maximum <u>out-of-pocket limits</u> set forth above have been met.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p>What is not included in the <u>out-of-pocket limit</u>?</p>	<p><u>Deductibles</u>, <u>premiums</u>, <u>balance-billing</u> charges (unless balanced billing is prohibited), amounts over the allowable charge, and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p>Will you pay less if you use a <u>network provider</u>?</p>	<p>Yes. For a list of <u>participating providers</u>, see www.ebms.com or call 1-866-401-3883.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p>Do you need a <u>referral</u> to see a <u>specialist</u>?</p>	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

NOTE: The “80/20” **Coinsurance** Option has been used as the example in reflecting “What You Will Pay” column for purposes of this Summary of Benefits and Coverage.
